EMPOWER YOUR SALES TEAMS

Save time, seize it now...

Sales has a direct impact on your business growth. The more effective the sales team, the more profitable your organization. Amicus brings TeamPlus to accelerate your company's profitability.

Overview

TeamPlus is specially designed to make selling easier and efficient, with tools that give you the ability to track progresses and receive results. It automates your selling process with a user-friendly and customizable mobile reporting interface. Moreover there are detailed reports that help in collating and consolidating field and market information.

Features

Real time data access to
field personnel

Track location and record
attendance of users

Design monthly tour plans and
keep track of every visit

Easy order booking at retailer/
distributor/super- stockist level

Create and update user profile
and information

Get complete reports for
performance analysis

How TeamPlus works?

Tracks Attendance

It captures data in real time to analyse a salesperson's day to day performance.

Books Order Anywhere

A salesperson can book orders at the outlet in just a few clicks.

Reports and Analytics

Fetch data easily to analyse trends and forecast sales in a defined time period.
